

## **Dundry Parish Council**

### **Litter picking equipment**

Dundry Parish Council is aware that many parishioners regularly pick up small amounts of litter when out walking in the area.

To make things easier we have some grab type litter pickers strategically placed round the parish.

If you are keen to 'do your bit' and would like to use one of these litter pickers and stylish high visibility vests then give any of the people listed below a call and borrow the equipment to take out with you on your next walk.

To dispose of your litter you can either take it home and put it in your own bin or use one of the litter bins dotted round the parish. You can also use the big bin and recycling bins at the village hall but please don't use these as overflow bins for your own household rubbish and recycling!

If you collect enough rubbish to fill several bags North Somerset Council will come and collect it. To arrange this, contact Judith Hoskin, the Parish Clerk, on 0117 9642804 or email [parishclerk@dundry.org.uk](mailto:parishclerk@dundry.org.uk).

Please be aware that when you are litter picking as an individual you do it at your own risk and will probably not be covered by the Parish Council's or North Somerset Council's insurance. If using the Parish Council litter pickers please also wear the high visibility vest provided. Please be particularly careful when litter picking by the road side on busy roads and at busy times of day.

Please let the Parish Council know if you would like to organise a community litter pick as our insurance company

will probably need to be informed and a risk assessment will need to be carried out.

## **Location of Litter Picking Equipment**

Dundry Lane: Bea Peters 01275 472551
