**TIPS FOR THE NOVICE**

1  Vases must be supplied by the exhibitor.
2  Uniformity of size when showing vegetables is important.
3  Vegetables and fruits should be gently washed clean – not oiled or polished. The bloom should be left on all fruit, tomatoes or marrows.
4  The tops of shallots and onions should be neatly tied down with string or raffia, and presented in sand.
5  Beans should have a short stalk.
6  The flowers for the 'arrangements' need not be from your own garden.
7  If a measurement is quoted in the class description, do not forget to check it, because the judge will.
8  Fill clear plain glass jars to the top to allow cooled jams, jellies and chutneys to settle to a quarter of an inch from top of jar. **Cover with air-tight cellophane top.** Label clearly in block capitals.
9  Staging of exhibits must be COMPLETED by 11.15am. Allow plenty of time for this.
10 To the judges, all entries are anonymous. Do not take offence at their comments – they are intended to help you.
