Welcome to the November edition of Your Patch – your handy summary of council activities taking place across North Somerset.

Your Patch aims to provide you with an easy to use, quick guide to what’s coming up in your ward during the next month.

Just scroll to the map, click on your ward name and you’ll be taken straight to information about scheduled works due to take place in your ward, including gully cleaning, road repairs and more.

Your Patch contains information about council works – for information on planned works by companies such as Bristol Water, Western Power, Virgin Media and BT, visit northsomerset.roadworks.org where you’ll find the latest dates for all planned works on our roads.

Please note that the dates quoted are subject to change – while we do our best to stick to our programmed schedules sometimes circumstances change and we have to rearrange works, for example in the event of bad weather.

And even if there aren’t any works due to take place in your ward, our reactive maintenance crews will be working across the district responding to reports and requests from our residents.

Let us know what you think

Your Patch isn’t intended to replace the communications you already receive from us – see the next page for more information on these. We want Your Patch to grow and develop, making sure it includes all the information you want to know, so if you have any feedback, comments or suggestions on what could be included in future issues please let us know.

Look out for the next issue of Your Patch arriving in your inbox at the end of November.

**Reporting problems and finding out more**

The quickest way for you and your constituents to report problems is to visit [www.n-somerset.gov.uk/connect](http://www.n-somerset.gov.uk/connect) where you can report, request and pay for a wide range of services.

By using the online system, the information goes directly into our systems so that we can respond quickly. People who aren’t able to use the online system can contact us on 01934 888 802 – these calls are dealt with by our contact centre who process the report or request.

Other useful sources of information to stay up-to-date with what’s happening in your ward include:

- [northsomerset.roadworks.org](http://northsomerset.roadworks.org) - this website contains information about all roadworks activity, including work being undertaken by utilities and private companies. You can also set up daily, weekly or monthly email alerts to be sent to you about works happening in a specified area.
- [www.n-somerset.gov.uk/planning](http://www.n-somerset.gov.uk/planning) - our planning portal where you can view, comment and get advice about applying for planning permission. Remember to look out for the regular members’ email containing the latest planning applications.
- [innorthsomerset.co.uk](http://innorthsomerset.co.uk) - the website co-ordinated by our economic development service which provides business advice, support, data, news and more.
- [www.discovernthsomerset.co.uk](http://www.discovernthsomerset.co.uk) - our new tourism website with information about events and attractions across North Somerset.
- [Streetscene](http://Streetscene) - our monthly round-up of the work carried out by our streets and open spaces, waste and recycling, seafront and events and highways and transport teams.
- [Members Only](http://Members Only) - your twice monthly update with news from across the council.

**Across North Somerset in November**

In each issue we’ll also bring you a summary of events or works taking place across North Somerset. This month’s update includes:

- **Winter weather**: our winter maintenance programme has started. Over the next few months our highways officers will be on duty 24 hours-a-day, monitoring weather conditions and letting gritter crews know when they’re needed to go out and salt our road network. And soon we’ll be launching a dedicated gritter Twitter account to let people know when our gritters are out and about. There’ll also be opportunities for local residents to volunteer to become ‘snow wardens’ and help plan for and co-ordinate snow clearance in their local community. During November, Community Resilience North Somerset will be running a number of training sessions at the Town Hall and Castlewood – for more information visit their [website](http://website).

Bus service changes
Crosville Motor Services are introducing a new bus service that will service Weston-super-Mare Central ward, from Monday 14 November. Service 107 (Worle Terminus to Asda via Weston town centre and Oldmixon) will compete with First’s service 7 along the same route from Worle to Oldmixon. However, the 107 will offer a new connection to Weston Hospital. The service will continue from Oldmixon to Asda, along Winterstoke Road, which does not currently have a bus service. This new service will operate every 20 minutes from Monday to Saturday.

First West of England are also making changes to their Weston bus services. The following changes will come into effect from Sunday 27 November:

- Service 3 (Worle Terminus to Asda via Weston town centre) will no longer serve St Georges. Passengers in this area can use Crosville service 5 instead. There will be minor changes to the timetable but no change in frequency (every 20 minutes).
- Service 7 (Worle Terminus to Oldmixon via Weston town centre) - during the day on Monday to Friday, the frequency of buses on this service will increase from every 12 minutes to every 10 minutes. There are no changes to the route and no change to timetables on Saturdays, Sundays or on weekday evenings.

All new timetables are available to view and download on the Traveline website. Remember to like the North Somerset Public Transport Facebook page to stay up to date with their latest news.

This new service will operate every 20 minutes from Monday to Saturday.

First West of England are also making changes to their Weston bus services. The following changes will come into effect from Sunday 27 November:

- Service 3 (Worle Terminus to Asda via Weston town centre) will no longer serve St Georges. Passengers in this area can use Crosville service 5 instead. There will be minor changes to the timetable but no change in frequency (every 20 minutes).
- Service 7 (Worle Terminus to Oldmixon via Weston town centre) - during the day on Monday to Friday, the frequency of buses on this service will increase from every 12 minutes to every 10 minutes. There are no changes to the route and no change to timetables on Saturdays, Sundays or on weekday evenings.

All new timetables are available to view and download on the Traveline [website](#). Remember to like the North Somerset Public Transport Facebook page to stay up to date with their latest news.

**Winford**

**Area officer surgery**

A reminder that the area officer for the Winford area, Gregg Brake, holds monthly surgeries for residents to go along and discuss a range of issues including roads, recycling and waste, litter, vandalism, signs and abandoned vehicles. The next surgeries will be:

- Thursday 3 November from 10.30am to noon, at Long Ashton Parish Council offices, Long Ashton Library
- Friday 25 November from 10am to noon, at Backwell Parish Council offices.

There’s no need to make an appointment.

**Parish recycling scheme**

We’ll be holding a special reuse event at Dundry Village Hall on Monday 7 November from 4pm to 6.30pm. The event is being held in partnership with Changing Lives, a reuse social enterprise that collect, recycle and reuse donated household goods. People can take along unwanted electrical equipment and furniture which will then be recycled – only items that can be comfortably moved by two people will be accepted.

**Wrington**

**Highways maintenance**  
We’ll be carrying out lining and sign cleaning works, and clearing gullies along the A370 Main Road, Brockley starting on the evening of Wednesday 2 November. The road will be closed so that the works can be carried out safely and we’ll be working overnight, from 8pm to 6am, to keep disruption to a minimum. We expect the works to last for two nights.

**Area officer surgery**  
A reminder that the area officer for the Wrington area, Jeff Shipway, holds a surgery on the first Tuesday of each month at the parish council offices. The next surgery will be on Tuesday 1 November from 10am to 11am. Residents can go along to speak to Jeff about a range of issues including roads, recycling and waste, litter, vandalism, signs and abandoned vehicles. There’s no need to make an appointment.

**Speed limit**  
From Monday 7 November a 30mph speed limit will come into effect on Long Lane, from the junction with Old Hill to just past the driveway of Barley Wood, next to East Lodge.

**Drainage repairs**  
We’ll be carrying out drainage works at two locations in Wrington ward:  
- A38 Havyatt Road – work is due to take place from Monday 7 November for one week  
- West Hay – work is due to take place from Monday 14 November for one week.

Temporary traffic lights will be in place at each site so that the work can be carried out safely.
