

Don't Turn Your Home into a Gold Mine

We've seen an increase in burglaries targeting homeowners who keep high value gold and jewellery in their property.

To avoid becoming a victim, we strongly advise that you store your jewellery and high value gold with a safety deposit box company.

Please be wary of unexpected callers to your home and if you have any suspicions please tell the police on 101.

There's more home security advice on the police website www.avonandsomerset.police.uk and follow us on Facebook for the latest advice and updates.
