| <p><b>08/02/2012 1109 - Minutes of the Meeting of Dundry Parish Council – 04/01/2012</b><br/> <b>1109.1.</b> – The minutes of the meeting held on 4<sup>th</sup> January 2012 were agreed to be a true record – proposed Cllr Keast, seconded Cllr Fiddian</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |                                         |
| <p><b>08/02/2012 1110 - Crime Report/Neighbourhood Watch</b><br/> <b>1110.1.</b> Crime report for preceding month – PC Byford reported that there had been one crime in the previous month involving possession of cannabis.<br/> <b>1110.2.</b> PC Byford reported that Bristol City Council had cut funding for Operation Biker which had targeted off-road motor bikes on the lower Dundry slopes. He was trying to find some other way of tackling this nuisance which affected both Dundry and Hartcliffe residents..<br/> <b>1110.3.</b> A mobile police station/beat surgery had visited Dundry the previous week. It would visit again in early March and be parked in the village car park. Cllr Peters said she would try to be there on behalf of Neighbourhood Watch.<br/> <b>1110.4.</b> Cllr Jennings thanked PC Byford and PCSO Barrett for attending the playground event in January with the bike ramp.<br/> <b>1110.5.</b> Neighbourhood Watch Report – Cllr Peters said she had nothing to report about NHW<br/> <b>1110.6.</b> Cllr Jennings said that there was a broken NHW sign which needed replacing but the post supporting it was in poor condition. She and Cllr Laux would inspect this and try to find an alternative location for the sign.</p> | <p><b>Cllrs Jennings &amp; Laux</b></p> |
| <p><b>08/02/2012 1111 - Public Forum</b><br/> No parishioners were present for the Public Forum but councillors and the Clerk had been asked to raise the following points:<br/> <b>1111.1.</b> A parishioner had reported that they had recently had what could have been a very serious accident at the junction of Dundry Lane with the A38 and mentioned several other incidents which had occurred there. Cllr Fiddian confirmed that there was probably on average some sort of incident once a week at this junction and all agreed that it was a dangerous exit, particularly when turning right on to the A38, and could be frustratingly slow at peak times. Previous efforts to have the speed limit reduced had not been successful and promised safety improvements had not yet materialised.<br/> Cllr Laux and the Clerk reported that there would be even more traffic on the A38 once the South Bristol Link was completed in 2016. At the meeting they had attended on 13<sup>th</sup> January (see item 1117.1) they had asked for attention to be paid to improving this exit as part of the project.<br/> Councillors requested that the police try to find out how many reported incidents there had</p>                                                 |                                         |

| <p>been at this location in the last few years, although they realised that not all accidents would have been reported to the police. They thought that a statement from the police would be helpful when trying to make a case for safety measures.<br/> <i>PC Byford and PCSO Barrett left, and Cllr Hurford joined, the meeting at this point</i></p> <p><b>1111.2.</b> Cllr Jennings said that she had been asked whether the Parish Council would be prepared to help in some way (perhaps by making available the services of the village orderly) with making the Glebe land by the churchyard available for use by the community – in particular the school. Cllr Peters said that as a school governor she had already asked the Community Service Volunteers if they could help to clear the land. This might involve some financial outlay, mainly for the cost of insurance. Cllrs Peters, Laux and Jennings would take this further.</p> <p><b>1111.3.</b> Cllr Laux reported that the pre-school were having problems accommodating the increased number of children attending, particularly at times when they did not have exclusive use of the hall which could make accessing the kitchen and toilets difficult. They were looking at various options, including asking for an extension to the hall to accommodate kitchen and toilet facilities or even leaving the village hall to go elsewhere. Councillors were generally of the opinion that the hall was ideal for the pre-school when they were able to use the main hall and that in the first instance they should discuss their problems with the hall committee to see if they could find some sort of satisfactory solution. They also felt that the children could be taken outside more, even in the winter, as happened at other pre-schools. They would therefore not support a request for an extension at present because they didn't think it was necessary. Cllr Laux to reply.</p> <p><b>1111.4.</b> Cllr Fiddian reported that mud was being carried on to the A38, possibly from the Yanley landfill site. The Clerk would report this to the NSC area officer, copied to Long Ashton Parish Council.</p> <p><b>1111.5.</b> Cllr Laux reported a large pothole just outside Downs Farm. Clerk to report to NSC</p> <p><b>1111.6.</b> The Clerk noted that it was very easy to report problems such as potholes and fly tipping direct to NSC, particularly via the website, and that it might focus attention on these problems if parishioners were to do this as well as, or instead of, reporting them to the Parish Council.</p> <p><b>1111.7.</b> Cllr Peters said how enjoyable the pantomime had been. Other Councillors who had seen it agreed.</p> | <p><b>PC Byford/<br/>PCSO<br/>Barrett</b></p> <p><b>Cllrs Laux,<br/>Peters &amp;<br/>Jennings</b></p> <p><b>Cllr Laux</b></p> <p><b>Clerk</b></p> <p><b>Clerk</b></p> |

Dundry was linked with Winford for this. Rob Warren, a North Somerset Play Ranger, was coordinating the scheme and two meetings had been held so far, but unfortunately nobody had been available to attend from Dundry. There was a parishioner keen to be involved but more ideas and volunteers were needed and Cllr Jennings proposed</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                                                                                                                                                                       |

| <b>08/02/2012 1115 - Dundry Day</b><br><b>1115.1.</b> Cllr Jennings reported that Dundry Day would be held on 13 <sup>th</sup> May as a joint event between the Parish Council and the Playground Group. She would be coordinating this. She proposed to invite representatives of various village organisations to the next playground meeting on 27 <sup>th</sup> February to discuss ideas. Councillors agreed that a certain amount of fund-raising by organisations would be acceptable and that the hall hire should be paid by the Parish Council. They thanked Councillor Jennings for taking responsibility for this.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | Cllr Jennings        |                   |         |                   |                 |          |        |            |         |      |         |                 |        |          |                 |       |                   |  |        |      |              |       |         |      |        |     |              |        |         |                 |        |          |               |        |         |                |        |     |                   |        |         |           |  |
| <b>08/02/2012 1116 - ‘Awards for All’ possible funding bid</b><br><b>1116.1.</b> Following the consultation at the event on January 22 <sup>nd</sup> Cllr Jennings had circulated a proposal that an application should be made for funding for the most popular item, the pendular see-saw, to be sited near the play tower. She would check whether it would be possible to include the monkey bars (part of the trim trail) within the budget. It was agreed that she should prepare the application and bring it to the next meeting. The Clerk noted that there would be some additional cost in insurance (approx. £150) for this item.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | Cllr Jennings        |                   |         |                   |                 |          |        |            |         |      |         |                 |        |          |                 |       |                   |  |        |      |              |       |         |      |        |     |              |        |         |                 |        |          |               |        |         |                |        |     |                   |        |         |           |  |
| <b>08/02/2012 1117 - Report on Meetings attended</b><br><b>1117.1.</b> South Bristol Link briefing at NSC – 13 <sup>th</sup> January – Cllr Laux, Clerk. Notes and other information about this had been circulated before the meeting. Cllr Laux noted that funding was approved and the project would go ahead, although many details of the route had yet to be finalised. Traffic would increase on the A38 where it passed through the parish and NSC had been asked to look at the implications for the junction with Dundry Lane. There would be a public consultation in March.<br><br><b>1117.2.</b> Parish Councils Airport Association 24 <sup>th</sup> January – Cllr Thomas. (Minutes had been circulated before the meeting) Cllr Thomas had asked the Clerk to draw councillors’ attention to the fact that the Airport still hopes to expand at some point beyond 10 million passengers per annum. He had also queried the apparently limited number of parishes (6, of which Dundry was not one) which could benefit from the new Airport Environmental fund which was a condition of the planning approval. £100,000 per annum was to be made available for projects to mitigate the effect of the airport on the local community. Cllr Gregor was on the committee and councillors asked him to find out whether Dundry could be included. It was also agreed to write to the administrator of the fund requesting that projects in Dundry be considered.<br><br><b>1117.3.</b> Dundry Village Hall Committee – 19 <sup>th</sup> January – Cllr Laux reported that the inside of the hall was being refurbished on 12 <sup>th</sup> and 19 <sup>th</sup> February – all were welcome to join in. | <p><b>08/02/2012 1118 - Possible Diamond Jubilee event</b></p> <p><b>1118.1.</b> Cllr Laux reported that at the meeting of the village hall committee he had been asked whether the Parish Council would take the lead in organising an event for the Diamond Jubilee.</p> <p>Councillors discussed this at some length and it was finally proposed that, at the invitation of Cllr Hurford, on whose land there was a suitably prominent site, the parish should take part in the national lighting of beacons on June 4<sup>th</sup>. To this could be linked some sort of event at the village hall. Cllr Laux would discuss this further with the hall committee.</p> | <p><b>08/02/2012 1119 - Letter from traffic commissioner</b></p> <p><b>1119.1.</b> A letter had been received in response to one from DPC in which the Traffic Commissioner's office explained the process by which licenses for operation of goods vehicles were granted or extended. Licences had recently been extended for a total of twenty vehicles based at Downs Farm. They would next be eligible for review in early 2016. A single advertisement placed in the Bristol Evening Post met the legal requirement for notifying residents. The Traffic Commissioner was responsible only for ensuring that the site itself was suitable for the vehicles – access roads were presumed to be the responsibility of the Local Authority's Highways Department.</p> <p>The letter was noted.</p>
