For your information

Theft of horse tack continues to be an issue and I ask residents and equine owners to remain vigilant.

With the clocks going forwards at the end of the month I take this opportunity to remind residents to check their shed/outbuilding security and ensure bikes and gardening equipment are suitably secured. In addition I remind people that if they are in their rear gardens they ensure that doors and windows are secure to the front of their property.

Members of the public can also visit www.police.uk if they wish to review any crime figures for a certain postcode or area.
